

## High School Teams Compete in Robotics Competition!

We need your Support!

### 2008 Fuel Cell "Green Machine" Competition Donation Form<sup>©</sup>

An exciting new competition program designed to encourage young minds to **master hydrogen fuel cells**. High School robotics teams will be picked to demonstrate the use of fuel cells in competition robots. Students engage in innovation and engineering with todays fuel cell technologies.

**Highlights** of the game will include **research & development, building and testing a fuel cell system, game design, and insertion of a fuel cell system into a competition robot.**

#### Be a Sponsor!

\_\_\_ I would like to Sponsor \_\_\_ high school teams (at \$2,500 per team)
